

Notification of side effects concerning medicinal products of WÖRWAG PHARMA

Instructions for notifying a side effect

Side effects can be communicated to Wörwag Pharma using this form. Please fill out the form and send it to dso@woerwagpharma.com.

You can also report side effects directly to the **Bundesinstitut für Arzneimittel und Medizinprodukte**: www.bfarm.de.

We request all affected persons with possible side effects to immediately contact the treating physician for further diagnosis and therapy.

Information on data protection

Personal information provided voluntarily in the form for notification will not be entered in our pharmacovigilance database without your permission. We need these details so that we can get in touch if more information is needed and for accurately assessing the side effect.
